THE PINNACLE EVENT CENTER

MAUMEE, OHIO

WELCOME TO THE 2ND ANNUAL MENTAL HEALTH GALA: STRENGTH IN UNITY!

The “Strength in Unity” Mental Health Gala was inspired by the vision of Keisha Taylor, Mental Health Gala Coordinator and Chief Administrative Officer of Revitalized Behavioral Healthcare (RBH), alongside the co-owners of RBH and Here’s My Turning Point. Together, they joined forces with other strong, influential Black women leaders and advocates who share the same passion for breaking down the barriers and stigma surrounding mental health and substance use disorders within Lucas County. Their collective vision was to create a signature event that celebrates, uplifts, and honors individuals and organizations making a lasting impact in mental health wellness and advocacy.

This year, we were intentional about closing out Mental Health Awareness Month together on the final Saturday in May – creating a space centered on unity, healing, celebration, and empowerment. Ending the month together is especially meaningful, as it reminds us that mental health awareness and support must continue far beyond May. “Strength in Unity” represents the power of collaboration, healing, and reducing stigma within the Black community and beyond.

Tonight is more than a gala – it is an opportunity to network, celebrate, and continue important conversations surrounding mental health, substance use recovery, advocacy, and community support. This is our time to shine, celebrate, and highlight the life-changing work being done across Lucas County as we work together to inspire hope, strengthen families, and create lasting change for future generations.

To our amazing sponsors, partners, honorees, family, and friends – thank you for helping make this vision possible. Your continued support allows us to expand awareness, encourage healing, and strengthen mental health advocacy throughout our community. The future of mental health advocacy in Lucas County is bright because of committed leaders and supporters like you.

Thank you for standing with us, believing in this mission, and embodying the spirit of *Strength in Unity*.
